Angeles

Thanks for sending the HPS radiological consultation evaluation. Would you be able to share evaluation results from the ACOE Radiation Safety Support Team and Oak Ridge National Laboratory? Also, is this specific for HPS as we also have a pending radiological building evaluation at Concord? Thanks again for sending.

Regards  
Lawrence

Goals for Onsite Buildings

Derek –

The attached letter provides the results of EPA's review of the Navy's evaluation of Radiological Building Remediation Goals for the Hunters Point Naval Shipyard Site. Please call or email with any questions.
